Remarks

Escape the madness and unwind at this private camp retreat set on 8.8 acres of land. Tucked back from the road for complete privacy, this property has seen many upgrades, including a new roof, a spacious new porch, and a total interior remodel. The camp is equipped with power, a dug well, a gray water system, and the convenience of a composting toilet. With the addition of a septic system, it could easily be converted into a full-time home. Stay cozy all year long with two propane heaters and a wood stove to keep you warm through Maine's cold winter nights. Just minutes from Madison and Farmington, you'll enjoy both seclusion and convenience, with shopping and entertainment nearby. A perfect place to kick back, relax, and enjoy the simple life.
